the scheme "Sustainable Development of Sugarcane Based Cropping Systems" (SUBACS) has been subsumed under Macro Management Mode of Agriculture along with other 26 schemes to give more flexibility to States and implement the programmes on the basis of State's priorities and requirements. Funds are allocated and released to States in lump sum for Macro Management Mode of Agriculture and not provided on the basis of individual crop by Government of India.

Impact of Foreign Seeds

†1722. SHRI P.K. MAHESHWARI: Will the Minister of AGRICULTURE be pleased to state:-

(a) the names of the foreign seeds companies which are selling their seeds in the country;

(b) the names of the regions where foreign seeds are being used alongwith their varieties; and

(c) whether the investigating agencies have conducted tests about the impact and ill effects of the foreign seeds in the context of Indian environment?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) Details of foreign collaboration approvals granted in the seeds sector from 01.01.2000 to 31.08.2002, including cases of acquisition of shares in Indian seed companies by foreign collaborators are enclosed as statement. (*See below*)

(b) There is no regional restriction on the sale of seeds, including foreign seeds.

(c) The import of seeds and planting materials is regulated under the New Policy on Seed Development read with PFS Order, 1989. Agronomic suitability, performance and resistance to pests and diseases is assessed before allowing import of seeds.

---

†Original notice of the question was received in Hindi.
